From the Director's Desk

Hello Everyone:

November is here and it is a time we focus on families and giving thanks for all that we have. The month of November finds us quite busy as we work with our community partners to make Thanksgiving time special for our neighbors in need. We will be delivering Thanksgiving meals to elders in our community. As we do every year, we partner with the Coventry High School Culinary program who prepares over 100 meals that we deliver throughout Coventry. This program has been a part of our service provision for decades and it focuses letting people know we are thankful for them and that we care for them.

Our Community Food Bank also helps families in need during these financially difficult times with food assistance during the Thanksgiving season. As many of you are aware the Supplemental Nutrition Assistance Program (SNAP) is no longer assisting families with basic food assistance due to the Federal government shut-down. As we continue to focus on being there when people need us most we are looking for your assistance to help us help our neighbors in need with donating food for the Coventry Community Food Bank which our department is tasked with. Please find attached list of food security resources in our area as well as a list of items most needed at our food bank. We will be accepting donations here at the Coventry Resource and Senior Center and will do our best to meet this overwhelming need to feed our community's children, working families, elders, veterans and individuals with disabilities. I sincerely hope that this is a temporary situation. My staff and I are preparing to continue to ramp up food distribution with the help of our community partners and people like you.

For those seeking information please read our full newsletter as the resources are updated for accuracy every month. **Please go to the state's website, snapsupport.ri.gov to get a list of helpful resources.**

At times like these I always think of a quote by Margaret Whitney- "There is nothing more powerful than a community discovering what it cares about". It is my hope that Coventry pulls together and we take care of our own!

I am thankful for my staff and all they do each day to bring help and resources to our community. The town is a better place because of their work.

To all our staff: Thanks for All You Do!

All My Best, Bob Robillard Jr., LMHC-Director

What is RENTERS INSURANCE ?

Renter's insurance is insurance that pays you if your personal property is damaged or stolen. It can cover fire and smoke damage, theft, vandalism, damage from windstorms and hail, damage from explosions, water damage from plumbing problems, etc. It also protects you from liability if an accident happens in your home and may pay your temporary living expenses if an emergency forces you to leave.

Doesn't my landlord's insurance protect my belongings? No. Your landlord's insurance does not protect your personal property.

It only protects the building. More info.. from American Red Cross

SCAMS / FRAUD

ROMANCE SCAMS - Adults of all ages are going online in hopes of finding love and companionship.

But there can be a downside ...

WARNING SIGNS

- *Your new romantic interest sends you a picture that looks more like a model from a fashion magazine
- *The person quickly wants to leave the dating website and communicate with you through email or instant messaging.
- *They lavish you with attention, texts, emails and phone calls
(www.aarp.org)
- *The scammer wants to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.
- *Scam artists often say they are in the building and construction industry and are engaged in projects outside the U.S. That makes it easier to avoid meeting in person—and more plausible when they ask for money for a medical emergency or unexpected legal fee.
- *If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

(FBI.gov)

BEWARE the Faux Phone Call

The phone is still #1 in the hearts of scammers.

Use your voicemail or answering machine to screen incoming calls when you aren't absolutely certain who is calling.

You can't trust caller ID because scammers use technology to hide their identity.

(Taken Pg 12 AARP Fraud Watch Network)

CELEBRITY (IMPOSTER) SCAMS

Criminals pose as celebrities to nurture a relationship with their target before the "ask".

In private messages the con profiles the target to determine the best approach. If a target is lonely, it's a romance scam; if altruistic, it's a charity scam.

The criminals invent excuses about why they (wealthy celebrities) supposedly can't access their funds.

Recent advances in artificial intelligence (AI) make these scams harder to identify, as they offer criminals the tools they need to mimic voices, alter photos and avoid the spelling and grammar mistakes that once were red flags for fraud.

Imposter scams were the #1 fraud complaint in 2023 with total losses of \$2.7 billion.

(above taken from www.aarp.org)

Prevention Tips

Don't carry your Social Security card in your wallet

Don't print your SSN or driver's license number on your checks.

Shred sensitive information.

Limit the number of credit cards you carry.

Keep copies of credit cards (front and back) in a safe place in case a card is lost or stolen.

‘TIS THE SEASON

‘Tis the Season is a volunteer organization serving families in the towns of Coventry and West Greenwich. It was established in 1992 with its main focus to provide a joyful holiday season for all, especially children. ‘Tis the Season operates through the generosity of the community. Some members of the community have small fundraisers. Others prefer to donate money directly. The Fire Departments graciously conduct an annual “Boot Day” to support ‘Tis the Season. These funds are used to purchase needed food and clothing. Local schools and churches hold food drives. Other clubs and organizations conduct toy drives all to benefit ‘Tis the Season. Still other families, businesses, schools and other local groups choose to “Adopt a Family” at the holidays. **Call 822-9178 for more information, how to request assistance or how to donate.**

MEDITATION What Meditation can do for your mind, mood and health...

In the short term, stress quickens your heart rate and breathing and increases your blood pressure. When you're constantly under stress, your adrenal glands overproduce the hormone cortisol. Overexposure to this hormone can affect the function of your brain, immune system, and other organs. Chronic stress can contribute to headaches, anxiety, depression and heart disease.

You can minimize its effects on your body. One of the easiest and most achievable stress-relieving techniques is meditation, a program in which you focus your attention inward to induce a state of deep relaxation.

The beauty and simplicity of meditation is that you don't need any equipment. All that's required is a quiet space and a few minutes each day.
 (Above taken from www.health.harvard.edu)

*Meditation apps to guide you are available for your smart devices. Some are free. You can also try deep breathing, yoga or hobbies that help you relax and aim for 7-9 hours of quality sleep each night.
 Stay hydrated & Don't forget to go for regular medical check-ups

- Social Media Has Both Positive and Negative Impacts on Children and Adolescents.
- What Parents and Caregivers Can Do
- What Children and Adolescents Can Do and more.

The APA - American Psychological Association at <https://www.apa.org/topics/social-media-internet/health-advisory-adolescent-social-media-use> will direct you to:

Potential risks of content, features, and functions:

The science of how social media affects youth.

And it has other links to articles, resources and tips to safeguard our children.

PARENTS: To help keep your kids safe there are many parental control apps. Some are Life360; Aura; Bark; Net Nanny; Mobicip Safe Browser; Secure Teen. They can monitor their devices, different social platforms, set usage time limits, block content, track your child's location & more.

There are also Homework Apps such as myHomework, The Homework App and many others which can help your children organize assignments, schedules, tests, due dates and help parents monitor progress etc.

Research to find the best apps to help your children be successful and keep them safe !

HERE ARE SOME POPULAR SOCIAL MEDIA SITES & APPS that teens use...

Youtube Tik Tok Instagram SnapChat Facebook WhatsApp X (formerly Twitter) Ask.FM

*Parents can research these apps/sites and many others to understand all the potential risks

*Read the "help center" information for social media sites to understand the age recommendation, privacy policy, and the community.

*The sites teens use change with the site's popularity amongst their social group. What is popular today may not be in six months.

*Know what apps/sites your children use and engage in discussions on using responsibly

**Never post personal information*

**Some apps have led to bullying and harassment*

**Explain the "forever" implications of posts and photos. Colleges and employers do check social media profiles.*

***Parents should have their children's passcodes to their phone and all devices to monitor what sites they access and how they are using those sites.**

REMEMBER to always stay alert for scams, trolls, and other undesirable content.
