From the Director's Desk

Happy February Everyone!

We hope you are staying warm and connected with your friends during the toughest part of the Winter months here in New England. I've already had it with the snow and we have more Winter to go!

I wanted to give some updates on our department and what we have going on.

The Coventry Community Learning Center, which will be located at 1675 Flat River Road is nearing completion. We will be bringing in services to Coventry to help our community address needs around workforce development, education and health monitoring.

When it opens, we will be bringing in mental health services for children and families. A new GED Program, along with computer labs and spaces for tele-health, tele-work and tele-education will be open daily. RI VETS will have space to offer services to our veterans who we thank for their service.

Work readiness programs, supported employment and a new café run by our very own Project FRIENDS Program will be opening soon too.

The name of the Café will be - **BREWED by FRIENDS- “building community, one cup at a time”.**

It will be a training café so individuals with varying abilities can receive job training and become employed in our community.

We are hopeful this will bring more resources into Coventry to better serve our residents. I will keep you updated as we get closer to opening.

This month at the Resource and Senior Center we will be celebrating with entertainer Vinnie Ames on February 6th @11am. He will get you up and out of your seat to dance and enjoy your day!

On Wednesday February 11th at 11am, URI Pharmacy Outreach Program will be presenting on Arthritis and help with tips and best care strategies.

On Wednesday February 18th, Oasis Senior Advisors will be here to give information on Senior Living Options.

Please keep a look out for some new artwork on our walls. We have local artist's works on display throughout our center. If you know an artist who would like to show their work have them give us a call at 401-822-9175. We are booking artists for Spring of 2026.

Be well, stay safe and connect with your friends and stop on by and see us anytime!
Bob Robillard Jr., LMHC-Director

What is RENTERS INSURANCE ?

Renter's insurance is insurance that pays you if your personal property is damaged or stolen. It can cover fire and smoke damage, theft, vandalism, damage from windstorms and hail, damage from explosions, water damage from plumbing problems, etc. It also protects you from liability if an accident happens in your home and may pay your temporary living expenses if an emergency forces you to leave.

Doesn't my landlord's insurance protect my belongings? No. Your landlord's insurance does not protect your personal property.

It only protects the building. More info.. from American Red Cross

SCAMS / FRAUD

ROMANCE SCAMS - Adults of all ages are going online in hopes of finding love and companionship.

But there can be a downside ...

WARNING SIGNS

- *Your new romantic interest sends you a picture that looks more like a model from a fashion magazine
- *The person quickly wants to leave the dating website and communicate with you through email or instant messaging.
- *They lavish you with attention, texts, emails and phone calls
(www.aarp.org)

*The scammer wants to establish a relationship as quickly as possible, endear himself to the victim, and gain trust.

Scammers may propose marriage and make plans to meet in person, but that will never happen.

Eventually, they will ask for money.

*Scam artists often say they are in the building and construction industry and are engaged in projects outside the U.S. That makes it easier to avoid meeting in person—and more plausible when they ask for money for a medical emergency or unexpected legal fee.

*If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

(FBI.gov)

BEWARE the Faux Phone Call

The phone is still #1 in the hearts of scammers.

Use your voicemail or answering machine to screen incoming calls when you aren't absolutely certain who is calling.

You can't trust caller ID because scammers use technology to hide their identity.

(Taken Pg 12 AARP Fraud Watch Network)

FRAUD WATCH NETWORK AARP Fraud Watch Network provides you with access to information about identity theft, investment fraud and the latest scams. Access online at: AARP.org/fraudwatchnetwork

CELEBRITY (IMPOSTER) SCAMS

Criminals pose as celebrities to nurture a relationship with their target before the "ask".

In private messages the con profiles the target to determine the best approach. If a target is lonely, it's a romance scam; if altruistic, it's a charity scam.

The criminals invent excuses about why they (wealthy celebrities) supposedly can't access their funds.

Recent advances in artificial intelligence (AI) make these scams harder to identify, as they offer criminals the tools they need to mimic voices, alter photos and avoid the spelling and grammar mistakes that once were red flags for fraud.

Imposter scams were the #1 fraud complaint in 2023 with total losses of \$2.7 billion.

(above taken from www.aarp.org)

Prevention Tips

Don't carry your Social Security card in your wallet

Don't print your SSN or driver's license number on your checks.

Shred sensitive information.

Limit the number of credit cards you carry.

Keep copies of credit cards (front and back) in a safe place in case a card is lost or stolen.

‘TIS THE SEASON / COVENTRY

‘Tis the Season serves families in the town of Coventry. It was established in 1992 with its main focus to provide a joyful holiday season for all, especially children. ‘Tis the Season operates through the generosity of the community.

Some members of the community have small fundraisers. Others prefer to donate money directly. The Fire Departments graciously conduct an annual “Boot Day” to support ‘Tis the Season. These funds are used to purchase needed food and clothing. Local schools, churches, clubs and organizations hold food drives.

Other families, businesses, schools and other local groups choose to “Adopt a Family” through ‘Tis the Season.

Call 822-9178 for more information, how to request assistance or how to donate.

MEDITATION What Meditation can do for

your mind, mood and health... In the short term, stress quickens your heart rate and breathing and increases your blood pressure. When you're constantly under stress, your adrenal glands overproduce the hormone cortisol. Overexposure to this hormone can affect the function of your brain, immune system, and other organs. Chronic stress can contribute to headaches, anxiety, depression and heart disease.

You can minimize its effects on your body. One of the easiest and most achievable stress-relieving techniques is meditation, a program in which you focus your attention inward to induce a state of deep relaxation.

The beauty and simplicity of meditation is that you don't need any equipment. All that's required is a quiet space and a few minutes each day.

(Above taken from www.health.harvard.edu)

*Meditation apps to guide you are available for your smart devices. Some are free. You can also try deep breathing, yoga or hobbies that help you relax and aim for 7-9 hours of quality sleep each night. Stay hydrated & Don't forget to go for regular medical check-ups

Social Media and Youth Mental Health

The U.S. Surgeon General's Advisory 2023

Go to <https://www.hhs.gov/sites/default/files/sg-youth-mental-health-social-media-advisory.pdf> to read this report and learn about::

- Social Media Has Both Positive and Negative Impacts on Children and Adolescents.
- What Parents and Caregivers Can Do
- What Children and Adolescents Can Do and more.

The **APA - American Psychological Association** at <https://www.apa.org/topics/social-media-internet/health-advisory-adolescent-social-media-use> will direct you to:

Potential risks of content, features, and functions:
The science of how social media affects youth.

And it has other links to articles, resources and tips to safeguard our children.

PARENTS: To help keep your kids safe there are many parental control apps. Some are Life360; Aura; Bark; Net Nanny; Mobicip Safe Browser; Secure Teen. They can monitor their devices, different social platforms, set usage time limits, block content, track your child's location & more.

There are also Homework Apps such as myHomework, The Homework App and many others which can help your children organize assignments, schedules, tests, due dates and help parents monitor progress etc.

Research to find the best apps to help your children be successful and keep them safe !

HERE ARE SOME POPULAR SOCIAL MEDIA SITES & APPS that teens use...

Youtube **Tik Tok** **Instagram** **SnapChat** **Facebook** **WhatsApp** **X (formerly Twitter)** **Ask.FM**

*Parents can research these apps/sites and many others to understand all the potential risks

*Read the “help center” information for social media sites to understand the age recommendation, privacy policy, and the community.

*The sites teens use change with the site’s popularity amongst their social group. What is popular today may not be in six months.

*Know what apps/sites your children use and engage in discussions on using responsibly

*Never post personal information

*Some apps have led to bullying and harassment

*Explain the “forever” implications of posts and photos. Colleges and employers do check social media profiles.

***Parents should have their children’s passcodes to their phone and all devices to monitor what sites they access and how they are using those sites.**

REMEMBER to always stay alert for scams, trolls, and other undesirable content.

WHEN IT’S TIME TO TALK. Talking to your teen about alcohol and drugs is never easy. Here’s an app that can equip parents with the necessary skills, confidence, and knowledge to start and continue these conversations.
