**Town of Coventry
Joanne P Amitrano, CMC
Town Clerk**

The Town Clerk's office provides a wide range of services to the citizens and taxpayers of Coventry as well as the general public. An essential function of the Town Clerk's Office is the maintenance and upkeep of land records. This is vital as it preserves the history of the town, tracks and maintains real property ownership and transfers throughout the years, continuing to serve as a primary resource to title examiners and attorneys who prepare documentation for transfers of real estate.

Probate Court operates within the Town Clerk's Office, with Probate Court hearings on the second and fourth Thursdays of each month. The Probate Judge conducts court proceedings; the Probate Clerk (Town Clerk) prepares dockets, attends Probate Court and follows through with the orders of the Court.

Municipal Court operates within the Town Clerk's Office, with Municipal Court hearings on the first and third Tuesday of each month. The Municipal Judge conducts court proceedings; the Municipal Court Clerk (Town Clerk) prepares dockets, attends Municipal Court and follows through with the orders of the Court.

The Vital Statistics Department is located in the Town Clerk's Office where birth, death and marriage records are kept. Certified copies of vital statistics are readily available to the public. Marriage licenses can be obtained from the Town Clerk's Office if one of the parties to the marriage lives in Coventry and/or the marriage takes place within the state of Rhode Island. The State of Rhode Island (Department of Health) implemented a program whereby certified copies of birth records from 1960 through present may be obtained at any city or town hall within Rhode Island.

Licensing is an on-going, year round process, with various licenses renewable at different times throughout the year. Some licenses are quite simple and others entail a more involved process that may require a number of recommendations, inspections or approvals from various town departments and/or state agencies. We strive to be business friendly, maintaining information, forms and applications on the Town's website for anyone interested in starting a business. Once we receive an application, the clerk's office provides guidance in obtaining the necessary permits, approvals, inspections, etc. to complete the application process, from the first step issuance of the license.

Prepares dockets for the Town Council and Committee meetings involving, the oversight, coordination, and scheduling of meetings, ensuring compliance with all Open Meeting requirements, and attendance at those meetings. The dissemination of all necessary documents for their consideration and action.

The vault area of the Town Clerk's office holds Coventry's land records; the records are open and available to the public. In addition, genealogical records are available for research, as well as meeting minutes, town ordinances, resolutions, and records from other town departments. Computer stations are available to the public for research.

**Town Council
APPROVED
FY 2026
Adopted 5/13/2025**

**Town of Coventry
Kerrin Martini, RICA
Tax Assessor**

The Coventry Tax Assessor staff conducted a full audit of the Senior Tax Freeze Exemption beginning in January, 2024. It appears that this exemption has been in effect since the 2000 tax roll and has never been audited, ensuring proper application forms were on file for every recipient of this exemption and that each household benefitting from this exemption was qualified to do so. During the audit process the Assessor's staff successfully completed the following initiatives:

- Mail over 2,900 letters to current recipients of the exemption, requiring the recipient to appear in person with an updated exemption application and current form of ID.
- Made appointments for and went to over 70 homes of shut- in taxpayers to help them fulfill the requirements of the audit, and collect their paperwork.
- Researched title to each property to determine what affidavits were required, depending on ownership and, endeavored to collect the proper affidavits from property owners and/or family members on title.
- Spoke in person, over the telephone and through emails with thousands of taxpayers and/or their family members in regard to this audit; answering questions, explaining the requirements of the ordinance, what the exemption is and how it is applied. Staff consistently comported themselves with kindness, patience and understanding.

Over the past year the Tax Assessor's office effectively attributed the following:

- Processed approximately 1,300, 2024 property transfers
- Researched and processed over 500 historic transfer updates in CAMA (computer assisted mass appraisal software program)
- Over 1800 building permits entered, property details and values updated in CAMA
- Processed over 325 new Senior and Disabled Freeze exemptions (this includes deed research)
- Processed approximately 450 address changes

- Data entry for over 950 Business/Tangible accounts
- Research and reporting to implement the new Statewide Tangible Property Tax Exemption RIGL § 44-5.3-1
- Data entry for over 370 Farm, Forest, Open Space properties
- Processed over 25 Major/Minor/Administrative Subdivisions, developing values, creating new lots, streets, and condo units
- Update the GIS provider with all new lots, lot cuts, streets, and condo units to be reflected on the Town Maps and GIS
- Update all Fire Districts with Sales reports and Abatement reports throughout the year
- Added \$47,766,310 in assessed value to the 2024 Pro-rated Tax Roll for a tax amount of \$193,089.33
- Added \$2,166,393 in assessed value to the 2024 Supplemental Tax Roll for a tax amount of \$89,425.51
- Assisted hundreds (if not thousands) of taxpayers, attorneys, and real estate professionals at the counter, over the phone and by email

Over the next several months we will work with the Finance Director, Town Manager, and Town Council on the difficult issue of repealing, reforming or rewriting the Senior Freeze Ordinance in order to help stabilize the tax base and equitable distribution of taxes for all taxpayers in the Town of Coventry.

**TOWN OF COVENTRY
TAX COLLECTOR DEPARTMENT-2024/2025**

The Tax Collector must make sure that each taxpayer is treated fairly and according to the Rhode Island General Laws. It is the objective of this department not only to provide taxpayers with an accurate tax bill, but to process all payments made on the tax bills accurately and in a timely manner. The office is further dedicated to ensure that all taxpayers are treated with the same courtesy, regardless of whom they are or who they know.

The Tax Collector's Office consists of two Finance Clerks and the Tax Collector. Together we are responsible for the printing, mailing, and collection of annual real estate & tangible tax bills. In addition, this department is tasked with calculating, inputting, printing, mailing, and collecting sewer assessment and sewer use billing. The Collector's department plays an important role to ensure that the Tax Assessor's records are accurate. Once the tax bills have been sent out, we report any address changes or billing errors, that come to our attention, to the Tax Assessor's department so they can make corrections & update the records for future notices. All tax payments are processed as quickly and accurately as possible and given to the Finance Department immediately for deposit. In addition, each batch sent to Finance is accompanied with a summary report and check register used to verify the deposit and make the necessary entries into the G/L system.

We offer a few different options to pay taxes. They can be paid by check through the mail or placed in our drop box, a taxpayer can pay by credit card on line, or customers can come into the town hall and pay at our counter with check, cash, or charge card. This past fiscal year, we have replaced our previous APS option with an ACH option for paying taxes. APS was done by an outside service where 1/12th of the annual tax was deducted from a designated account at a fee of \$1.50/mo. The ACH option is through us directly. A taxpayer can elect to have their real estate taxes deducted, from a designated bank account, over a 10-month period beginning in July and ending in April or on the normal quarterly due dates. We also extended the ACH option to Sewer customers on a quarterly basis only. The service is free.

On an annual basis the Collector's office conducts a tax sale on properties with delinquent taxes. Prior to any tax sale, the collector notifies prospective taxpayers of their delinquent status multiple times. We send a notice after the 1st quarter, a second notice in December informing taxpayers of the impending tax sale notice if nothing is done. The tax sale notice is sent the end of January/beginning of February. It is at this point, we try to make payment arrangements or inform Rhode Island Housing if that is the only option. In addition to tax collection, this office also provides tax status information in the form of Municipal Lien Certificates for real estate sales, property refinances, and foreclosures. A Municipal Lien Certificate is a legal document that provide mortgage companies and lawyers with the property tax status on a particular parcel.

**Coventry Police Department
60 Wood St
Coventry, RI
Frederick J. Heise III
Chief of Police**

Budget Narrative 2025-2026

The Coventry Police Department's mission is to protect the community, enhance public safety and reduce the fear and incidents of crime. The department enforces the laws of the state and the ordinances of the town with a commitment driven by our core values of strength, honor, and integrity. The prevention of crime and the apprehension of those responsible for crime in our community is an ever-evolving effort to build on our successes and stay ahead of the criminal trends. We constantly seek to improve our methods and develop ways to enhance our level of service.

The Coventry Police Department is currently staffed at 49 sworn officers and 20 civilian support staff (6 part-time) who work in the department's three main divisions: patrol division, detective division and the administrative division. The members of the Coventry Police Department protect and preserve the lives and property of the 35,000 residents by patrolling 64.5 square miles in town. In calendar year 2024, the department was responsible for 27,758 calls for service, completed 2,859 offense reports, arrested 912 individuals, responded to 884 accidents, and issued over 6,940 citations.

The police department continues to struggle with its staffing level. In the last two years, the police department has lost 12 officers due to retirements and resignations but during that same time, we were only able to hire and retain 11 officers. Although we have an extensive recruitment program, it is challenging to obtain the amount of qualified candidates our department needs. This is not unique to Coventry Police Department as most other departments are experiencing the same difficulty with this profession. Our resignations have occurred as a result of officers leaving for other police departments with better post-retirement benefits. Our goal for the end of this upcoming budget cycle will be to be staffed at 56 officers.

In 2024, the police department applied for and was able to secure \$919,740 in federal and state grant funding. This funding was essential for the department to improve dated police equipment during these difficult budget times.

Patrol Division

The Patrol Division is directly responsible for the day-to-day services provided to citizens within the 64 square miles of Coventry. Patrol officers are the most visible members of law enforcement to the public, as they are the first responders to calls for service 24 hours a day, 365 days a year. The Patrol Division's responsibilities include enforcing all local ordinances and state laws regarding criminal and non-criminal incidents, traffic enforcement, and community relations. The majority of a patrol officer's time is spent patrolling the town, responding to self-initiated and dispatched calls for service, and subsequent report writing for arrests, incidents, and motor vehicle crashes. School resource officers, dispatchers, animal control officers, domestic violence advocate, and crossing guards also fall under the command of this division.

➤ School Resource Officers

We currently assign one (1) school resource officer to the high school and one (1) school resource officer to the middle school with a comfort dog. These officers work with the faculty and students to mediate the various issues that present themselves in a school setting. We also encourage our officers to visit all schools to build relationships with staff and students through our liaison program. School resource officers are important to the safety of our schools and can make a positive impact in the lives of students. These officers have an immeasurable impact on the school environment and our most important asset, our students. Positive influence, mentorship, and the added security presence in our schools improve the learning environment and the overall safety of our children and teachers. The need to protect our schools and places of public gatherings has become the new norm. We trained several officers who are now certified ALICE Active Shooter instructors for the town's schools. We continue to complete this training with officers, our high school teachers, middle school teachers, elementary teachers and additional school support staff. This is an active and ongoing training cycle, which will continue this coming year.

➤ Patrol K9 Team

The department's patrol K9 Team has been an asset to the organization and community and the law enforcement community. K9 "Nixo" and his handler Sgt Brandon Sullivan are a dual certified narcotics and patrol team. K9 Nixo has been seen at several demonstrations which include National Night Out, Touch a Truck, The Coventry High School Criminal Justice Program and town events.

➤ **Patrol Comfort Dog Team**

The department's patrol Comfort Dog Team was established at the very end of 2023 through donations from several community members. Off Jadine Ferri along with her English Labrador "Jovie" are a valuable resource in the community. Off Ferri is currently assigned to the Coventry Middle School but is utilized in every school along with being engaged with the community in many areas to include Coventry Summer Camp, National Night Out, Citizens Police Academy, and Trunk or Treat. Their team have also assisted other cities or towns during traumatic or community events.

➤ **Dispatch and Communication**

The Coventry Police Department communications unit consists of five dedicated men and women representing over 50 years of service in Law Enforcement. Our personnel receive emergency and non-emergency calls, including 9-1-1, and non-emergency calls from the community, dispatchers, and public safety agencies via telephone, radio systems and CAD system.

In 2024, our dispatchers received over 27,758 calls for service. They answer emergency calls for police response along with non-emergency inquiries from the public by providing such information as the phone numbers and local department information appropriate to their need, general information regarding traffic tickets, incidents, and accident reports and the responsible officer. Specialized training allows them to verify, enter, update, and/or delete the following kinds of information into RILETS-Rhode Island Law Enforcement Telecommunications System regarding missing persons or runaways; wanted persons, stolen, recovered, and/or abandoned vehicles etc. When answering emergency calls, the dispatcher must be proficient in their ability to stay calm, dispatch the appropriate officers as well as keep the caller engaged. Many times there are many things going on at the same time and they must be able to focus and multitask under stress.

➤ **Animal Control**

The animal control staff consists of 3 full time employees comprised of one animal control supervisor and 2 assistant animal control officers. There are 1023 dogs licensed in our town. Our animal control division has handled over 1095 calls for service and investigated 79 offenses leading to two arrests for animal cruelty in 2024. Animal control has evolved and they are required to handle more investigations, calls for service and collaborate more with outside agencies than ever before. They have supported many State, Local, Federal police agencies, Fire Departments, Department of Environmental Management, Department of Health and several private animal organizations. The days of the “Dog Catcher” are in the past. Rhode Island State law requires all animal control officers to be certified and our ACO’s have the required certification. They have additionally received their certification to be Nationally Certified Cruelty Investigators. All ACO’s are members of the Rhode Island Animal Control Officers Association and ACO McCormick is the President of that organization. ACO Lacombe is a member of the National Animal Control Officers Association. Our ACO’s are members of our EMA team and receive training in CPR/AED, Narcan, and emergency first aid.

As we move forward, the ACO Facility is in need of a renovation. The job requirements have changed but we are still working out of the same facility without many updates. The roof and exterior wood at the facility is in very poor condition. The interior and exterior are in need of an upgrade which we would like to address as a capital, impact fee, or grant expenditure. The office space at the animal control facility is also in poor condition and offers no space for the public to come visit a potential animal adoption.

➤ **Domestic Violence Advocate**

In partnership with the Elizabeth Buffum Chace Center, the DVA provides enhanced services for victims of domestic violence and sexual assault. This advocate works with victims to develop a follow-up plan, provide necessary information, referrals and assist in any court proceedings that the victim may need. They work with police officers and other stake holders to advocate for the victims of these crimes and provide training to police offices so they can respond more efficiently to calls for service. This position is not funded by the town.

➤ **Crossing Guard**

Our crossing guard staff consists of 5 part-time employees who cover 13 posts daily to facilitate pedestrian traffic crossings at our elementary schools in town.

Detective Division

The detective division has investigative authority for all major criminal offenses including homicide, sexual assault, robbery, computer crimes, narcotics, and other felony related crimes. In addition, the detective division handles follow-up investigations initiated in the patrol division. Detective division personnel are also responsible for sex offender notifications, maintaining the Sex Offender Registry, and monitoring compliance through the use of home visits. They are also responsible for conducting background checks and concealed carry permits for the police department. Other responsibilities include the prosecution of all cases for the police department. These cases are heard in Rhode Island Traffic Tribunal, Municipal Court, Family Court, District Court, and Superior Court. The members of the detective division are a well-trained team who participate in a number of collaborative tasks. Our detective division is extremely important in providing our citizens with a team that possess enhanced investigative skills, equipment, and technology which can be deployed and utilized at a moment's notice. The department has recently rejoined the Drug Enforcement Agency (DEA) Task Force where this will enhance our capability to combat drug activity in Coventry.

Administrative Services Division

The Administrative Services Division is responsible for all of the administrative functions of the police department. Some functions include payroll, bill payment, grant & fund management, budget preparation, recruitment & hiring, departmental training, officer wellness, accreditation, APRA (Access to Public Records) requests, Department IT needs, facility needs & maintenance, and special reporting requirements.

Since obtaining Rhode Island Police Accreditation Commission (RIPAC) reaccreditation on October 23, 2022, the Coventry Police Department continues to conduct trainings, evaluate policies & procedures for the required standards to maintain our RIPAC certification. RIPAC certification requires that over 200 standards be met from year to year. Receiving and maintaining this certification assures both municipal leaders and citizens that the police department is operating in a professional manner and is meeting and surpassing what is required in law enforcement today. Most of the RIPAC standards require our police department to have a written directive, such as a policy, and provide a "proof" which shows that we are meeting what is required by the standard. Some of the other trainings we conduct are Mental Health Awareness, De-escalation, legal updates, and officer safety. These trainings ensure our staff is well prepared to provide services in a safe and efficient manner, while keeping themselves as safe as possible and respecting the rights of the citizens, we serve. Accreditation is not a one-time event, it's a continual process tracking and showing that the department is following the required policies and procedures by keeping our standards high. We are actively preparing for a mock reaccreditation assessment in the spring of 2025 which will examine our progress over the last three years. Along with the demands of accreditation and training the department implemented a wellness program for our officers and staff. One of our officers has been certified as both a certified physical trainer and nutritionist and offers training and resources that other officers can utilize to improve physical and mental health through physical and nutrition based programs.

➤ **MIS/Cyber Security**

Our MIS department consists of one civilian who oversees information technology, manages the information services, cyber security, building access controls and security as well as all aspects of law enforcement technology. As technology changes daily, we strive to maintain workplace efficiency, data protection and officer safety. This individual makes every dollar count and is always looking to be more efficient and save funds by finding grant opportunities and the best cost for items and contracts. MIS is always working to strengthen our cyber protection and collaborates with RISP Cyber Security Team. The participates in their no cost cyber security awareness training for all employees. MIS also has formed agreements with T-Mobile to take advantage of their Zero cost for law enforcement agencies to provide Cell phone coverage to the patrol division. In 2024 MIS received Grant & ARPA funding to help with Disaster Recovery, Virtualization, and .GOV migration. In 2025 MIS received a Cyber grant to replace our NCIC Finger Print machine. Upgrading all computers from Windows 10 to Windows 11 is on track for October 2025 as Windows 10 approaches its end of life. This position is on call 24/7 and provides backup or assistance to the town IT or school department IT when needed.

Other Police Department Functions

➤ **Community Policing**

Our department continues to be engaged with community partners and work together to connect with the citizens we serve by keeping them informed through social media. Coventry Police Department is the 3rd most followed police agency in Rhode Island on social media with 26,500 followers. We also provide support and security for events and collaborate on projects with our other town departments. This partnership with Human Services, Library, Coventry Housing Authority, Recreation and the School Department enhances the feeling of community involvement and improves our communication and relationship with the public. Some of the events we participate in are Coffee with a Cop, National Night Out, Trunk or Treat, summer festival, Christmas tree lighting and several other town sponsored events. Our social media presence and community engagement seen today has been fostered by the deliberate efforts of both sworn and civilian employees.

➤ **SWAT Team**

The department maintains a joint SWAT team with the West Warwick Police Department. The Coventry/West Warwick Regional SWAT Team is certified by the Rhode Island Commission on Police Officers Standards and Training. This team handles high-risk warrant service, barricaded subjects, hostage situations, and dangerous calls involving weapons or other significant threats that place our officers and our community at risk. Our SWAT team is heavily involved in planning and executing our ALICE Active Shooter exercises. Our SWAT Team trains frequently with our Crisis Negotiation officers whose purpose is to conduct negotiations and/or provide negotiating strategies during potentially life-threatening incidents. The negotiators main function is to bring about non-violent endings to critical incidents. The Crisis Negotiation Team can work independently or in conjunction with, the department's SWAT Team. Our Coventry/West Warwick Regional SWAT Team has been together for over 20 years and is committed to promoting a strong professional presence and providing professional tactical support when its services are required. We intend to utilize the partnerships built in the swat training program to expand a department wide active shooter training. During 2024 the SWAT Team conducted 140 hours of training along with 3 activations (2 in West Warwick and 1 in Coventry) We are in the planning stages to incorporate some of the more extensive training SWAT Team members have received to the remaining department members which will enhance our response to current threats.

➤ Part Time EMA Assistant

Our department plays the central role in the Emergency Management functions of the town with the assistance of other town departments. The Coventry Emergency Management Agency continues to see the benefits of our part-time Emergency Management assistant under the direction of the Chief of Police who serves as the Town's Emergency Management Director. Our assistant is 50% EMPG Grant Funded through RIEMA and has already paid dividends by providing organization and effort toward many projects and federal requirements. This part-time assistant spearheads projects, actively pursues grants in the EMPG and SHSP process and facilitates information flow of the emergency operation center when activated. This position is vital to our town's Emergency Preparedness, cycle of mitigation, preparedness, response and recovery.

Coventry has a close relationship with the State EMA. The Town needs to continue to fund this position so it can focus on testing plans that exist and correcting gaps that are found. Some EMA projects in progress and current activities are listed below:

- In 2024, Coventry EMA completed an update to its Hazard mitigation plan. The focus going forward will be to maintain all Hazard Mitigation plan requirements
- Assist with annual grant writing opportunities
- Create, update, and review the Continuity of Operations plans, Emergency Operations Plans, Debris Management plans, MEDs and other government plans
- Prepare and review the Hurricane Checklist
- Exercise planning & execution
- Dam plan preparation and review
- FEMA recovery coordination
- FEMA Individual and Public Assistance program coordination
- Complete FEMA Professional Development Series program
- Develop and maintain Community Outreach Programs

➤ Grants

The most significant grant that improved our agency performance in 2024 was the award of a federal grant which allowed for us to purchase 2 Administrative vehicles, 1 K-9 vehicle, 1 Utility pickup, 1 command trailer, the replacement of our portable radio inventory and servers that support all police operations. This grant has improved our vehicle fleet, communications with officers on the street, improved computer infrastructure, and safety.

In closing, it is a pleasure to serve the Town of Coventry with such a dedicated staff of men and women who strive to make the town a better place. The Coventry Police Department will continue to use strategies and practices which enhance our organization to meet its mission over the next budget year and beyond with additional focus on recruiting, retention, and community policing. Our goal is to hire 6 recruits (four in the August academy and two in the January academy) and one lateral transfer officer which would bring our total to 56 sworn officers. During this budget year, we will also continue to seek and apply for other sources of grant funding to enhance our agency and lessen the burden on an already stressed municipal budget.

COVENTRY PUBLIC WORKS DEPARTMENT

The Department of Public Works has seen many changes and has grown into a very diversified and talented organization. As the town grows through residential development, so have the miles of road to be swept, plowed, and maintained, which are in excess of 440 lane miles. Coventry remains an attractive area for residential development and this causes additional challenges. As new developments are built, all of its amenities are added into our daily work load. This ultimately means that it takes longer to plow snow, sweep streets, perform roadside maintenance, install signs, perform asphalt repairs, pick-up trash/recycling, bulk items and still make time to do extended projects throughout the year.

As this Town continues to grow, with a population growth of 1,081 residents between 2020-2024, an increase of 448 household and a total of 292 building permits were issued. Staffing levels have nearly remained the same over the past 35 years. Over the years jobs have changed to meet the maintenance demands as the town grew. In 1980 we had 14 plow routes; today we have 25. This means we draw from all divisions within the department to plow during a winter storm event. Another good example of our town's expansion is the 950 catch basins we maintained in 1984. They have quickly become the 2,450 we maintain today. Our linear feet of roadways have increased for a total of over 220 centerline miles of roadway. Yet we still have the same 12 truck drivers, 6 machine operators and 2 foremen to provide the services to the entire growing community.

Similar to the snow plow routes, when a new residential subdivision is built within the boundaries of a Trash/Recycle route it becomes part of that weekly route, many times adding over 30 stops at a time, with most driver/collectors handling 600+ stops per day. The Sanitation Division has grown to 8 daily routes, daily bulk item pickup and hauling from the transfer station and Town facilities. We currently have 1 Working Foreman and 10 Driver Collectors assigned to the division. In October of 2015, the town-wide automated trash/recycle collection program began with new trucks and containers. This program is already reducing our trash disposal costs and increasing our recycle disposal. As Rhode Island Resource Recovery has continued the increases in disposal costs, the Town is poised with this new automated program to reduce the impact of these disposal cost increases. However, the sanitation truck fleet is 10 years old with numerous and constant daily breakdowns, requiring plans for the start of a replacement program.

The Vehicle Maintenance Division is staffed with 1 working Foreman and 4 Mechanics to keep our aging fleet in operation. The Recycling Coordinator, Special Duties Clerk, Receptionist and Executive Secretary perform the dispatching, payroll, attendance, billing, resident phone calls, complaints, reconciling RI Resource Recovery accounts, educating the residents on recycling guidelines, fuel system, special projects and ordering supplies.

The Building and Facilities Maintenance Division is staffed 2 Town Wide Maintenance Workers and 5 Custodians which maintain all town buildings. This division also includes a Working Foreman who is also the Town Safety Coordinator.

The Town has participated with the State of Rhode Island Rhode Restores project. This project provides a funding source match for the work on municipal roads, bridges and sidewalks in 2024.

The Public Works Department continued in 2024 to maintain the Johnsons Pond Dam with grass cutting, maintain the capped Arnold Road Municipal Landfill and work in conjunction with the Solar Array contractor. The daily tasks performed by the crews of Public Works also include road grading, vegetation control, pothole repair, asphalt paving repairs, storm drainage and swale cleaning, sidewalk repairs and street sweeping. Additional services provided include annual catch basin cleaning, drainage line jetting, pavement markings and tree work. The department also oversees the maintenance of the perpetual care cemeteries. This year, the Public Works Department has been providing the collection and hauling of the High School's septic waste. Each department within Town utilizes the Public Works employees for various tasks which need to be accomplished.

The employees of the Public Works Department continue to work through all adversities to provide quality services for the residents. The Coventry Department of Public Works will strive to provide Coventry residents the services they deserve with a professional and talented work force.

Coventry Planning Department

OVERVIEW

The Department of Planning & Development administers Coventry's policies and regulations for land use to ensure that the Town grows in the way that the community intends.

Our work is based on research and understanding of federal and state laws, local ordinances, policies, and plans as they relate to land development in Coventry. We work closely with the community stakeholders to develop and maintain the Comprehensive Community Plan, the principal document which outlines the Town's vision for housing, land use, economic development, transportation, open space and recreation.

Our Department also serves as key staff to the Planning Commission, Zoning Board of Review, Technical Review Committee, Land Trust, Conservation Commission, and Historic District Commission to implement a wide variety of town efforts.

Additionally, the Planning & Development Department locates and manages funding for initiatives and programs that improve residents' quality of life, such as the Housing Rehabilitation Program, which provides financial assistance for housing repairs for low to moderate income residents.

GROWTH TRENDS

Planning staff has observed that the Town is experiencing a significant increase in development interest over the past few years, and this trend appears to be gaining speed. Based on discussions that planning staff is having with pending applicants, we predict that the Town will see development proposals totaling up to 3,000 new housing units over the course of the next 3 years. There is currently a total of approximately 15,000 housing units within the Town as a whole, so an influx of up to 3,000 additional units would represent a pace of growth (20% increase) that has never been experienced in this community in such a short time.

There are several reasons for this increase in development interest. First, there are several parcels of land near the Centre of New England Boulevard that are subject to previous litigation actions and have been under the control of a receivership entity for the past 20 years. Over the past year, the receiver has been in the process of selling these properties and the result is that new property owners are beginning to come forward with various development proposals. The total development footprint of this land is estimated include 1,500-2,000 new housing units and significant new commercial development. This is a unique situation in which hundreds of acres of prime developable land with close proximity to infrastructure is being brought forward for development in a very short period of time. It is predicted that all of these Centre of New England parcels will result in new applications for review by the Planning Department at various stages over the course of the next 2 years.

The second reason for increased development interest in Coventry is our abundance of affordable, vacant land. Coventry lies in an area of the state just beyond the ring of suburbanized communities that surround Providence (Cranston, Warwick, Johnston, North Providence, East Providence, etc.). Since available, affordable land is becoming scarcer to find within these closer suburban communities, developers are turning their attention to the next ring of semi-suburban/rural communities. The State of Rhode Island is currently experiencing a housing crisis, which in turn is driving developers to seek out new areas for housing projects that can be built in an expedient fashion. Coventry is viewed as a prime candidate for new residential development due to its access to the I-95 interstate and available sewer and water infrastructure in the eastern portions of the community. Over the past year, the Town has received proposals for a significant number of new housing units and commercial development for larger projects that ARE NOT part of the aforementioned Centre of New England properties.

The third reason for increased development interest is that recent state law changes have made the overall development approval process more streamlined, specifically for residential development. Coventry is also receiving a greater number of smaller proposals of minor subdivisions (9 lots or less) or individual single-family house lots. These smaller proposals are taking advantage of new state law allowances, specifically streamlined development and variance approval processes, allowances for pre-existing nonconforming lots, reductions in setbacks. These code changes are creating renewed development interest in long-standing lots that were previously considered unbuildable, but are now showing potential for smaller-scale projects.

2024 ACCOMPLISHMENTS

- Established a Technical Review Committee at the beginning of 2024 to formalize interdepartmental project review and led monthly TRC meetings to provide additional transparency regarding the review process.
- Secured two new staff members:
 - Geri Manning, CBDG Program Manager, is paid through Community Development Block Grant (CDBG) funding. Ms. Manning has played a critical role in helping the Town reinstate its Housing Rehabilitation Program, develop/approve its annual CDBG application, and collaborate with other low- and moderate-income service providers.
 - Dennis Haggerty, Housing Planner, is paid through a \$154,000 grant the Department secured from the RI Department of Housing through its Municipal Fellows Grant Program. Mr. Haggerty will work in the Planning Department from January 2025 – September 2026 and support the Department's ongoing development review work and assorted special initiatives, particularly as they relate to housing production.
- Revised the draft Comprehensive Plan (including a re-write of the Plan's Housing Element) based on the RI Division of Statewide Planning's feedback. The Plan is currently submitted to the RI Division of Statewide Planning for an additional round of review prior to initiating the local adoption process.
- Submitted a Department-led grant application and secured free technical assistance at a value of \$100,000 from RI Housing for drafting Zoning Code updates to bring Town code into conformance with new state law requirements, and incorporate local changes to ensure best practices for planning and zoning.

- Submitted a Department-led grant application and secured nearly \$1 million to address infrastructure planning and design needs at the Woodland Manor Pump Station, including:
 - \$80,000 of value in free technical assistance from RI Housing for to conduct an engineering assessment of the pump station's capacity and integrity, including collaboration with the Town Engineer for oversight of project deliverables and implementation.
 - \$723,882 in grant funds from the Rhode Island Infrastructure Bank to construct necessary upgrades to support housing growth in this portion of town.
 - \$131,774 from the Rhode Island Infrastructure Bank to install a new generator for the pump station.
- Facilitated programmatic and funding adjustments to the Town's Community Septic System Loan Program to make resources more accessible to qualifying residents who need to fix failing or outdated septic systems.
- Established on-call peer review consulting service agreements to assist with project review for more complex and technical projects. Town has initiated such on-call peer review for traffic reviews for projects through 2024 and will continue to utilize these services moving forward on a variety of technical issues at no cost to the Town since such reviews are paid by developers.
- Coordinated with Town Engineer and Building Department to elevate our practices and procedures for conducting inspections of mid-construction and completed development projects, with a specific focus on stormwater and grading compliance.
- Coordinated with the Town Engineer on the administration and preparation of the New London Turnpike Sewer Main Capacity Analysis, in anticipation of large-scale development proposed in and around Centre of New England.

2025 OUTLOOK

- Continue to review and coordinate necessary studies on active development proposals.
- Commence the local adoption process for the Town's new Comprehensive Plan.
- Promote awareness of the CDBG Housing Rehabilitation Program to eligible agencies and residents to advance the overall impact of this program and expand program offerings.
- Present numerous code revisions for legal review and Town Council adoption, including those drafted during 2024, as well as several additional items to address two-family/multi-family allowances, changes to roadway standards, and changes to commercial allowances in industrial zones.
- Oversee the completion of a consultant-led Historic Resources Survey for the villages of Arkwright and Harris, a project funded through the Certified Local Government program administered by RIHPHC.

TOWN OF COVENTRY
OFFICE OF THE TOWN ENGINEER
1670 Flat River Road, Coventry, RI 02816
Tel. 401-822-9182 Fax. 401-822-6236

The Engineering Department is responsible for the development and administration of the engineering and sewer programs. Tasks completed by the Engineering Department over the current fiscal year include but are not limited to:

- Administration of different phases of plan review for land development and subdivision applications
- Technical Review Committee (TRC) member related project review and meeting attendance presentation
- Soil erosion and sediment control (SESC) permit application review, approval and inspection
- Building permit review, approval and final inspection. Final inspection requires coordination with Planning Department, developer and Engineer of Record (EOR). Plan deviations to require as-builts and EOR certification to ensure any deviations are consistent with the approved plans (especially related to stormwater)
- Private drinking water well application review and approval
- Building demolition application review and approval
- Performance bond estimate review and setting, bond reduction site inspection and recommendation, substantial completion site inspection and recommendation and recommendation for final release
- Administration of the RIPDES MS4 Program including outfall data collection and RIDEM annual reporting requirements. Town Engineer earned a Stormwater Management Certificate from UNH to meet and exceed the training requirement of Part IV.B.6 of the General Permit
- Administration of the Sandy Acres Recreation Area RIDEM Environmental Land Use Restriction (ELUR) Annual Compliance inspection and reporting requirements
- Administration of the design, permitting and construction of the Green Farm Estates Drainage Improvements Project. Project collects stormwater behind 64 Old North Road, conveys it through a new swale and discharges stormwater into a new catch basin that will connect to existing UG stormwater drainage in Old North Road

- Administration of the design, permitting and construction of the Lake George Drainage Improvements Project. Project installed three new culverts, two new outlet control structures w/ 36" outlet pipes at Lake George and cleaning/regrading of the drainage ditch to Little Lake Tiogue
- Administration of the Station Street Drainage Improvements Evaluation. Estimated completion - February 2025
- Administration of the Tiogue Lake Gatehouse Repair Project. 2026 construction completion
- Administration of the Weaver Hill Road Drainage Improvements Project. Basin needed on abutting property to collect runoff from Weaver Hill Road. Currently working with abutting property owner and his engineer to locate a basin
- Joint Engineering/DPW administration to design and construct stormwater treatment controls at the town owned outfalls into Upper Dam Pond. These types of controls remove suspended sediments from runoff and allow runoff to recharge/infiltrate into the ground, which are both recognized methods to reduce phosphorus
- Sanitary sewer connection application review, approval and compliance inspection (multi-family residential, commercial and industrial applications require coordination and approval from Sewer Subcommittee and Town Council)
- Sewer Subcommittee agenda item preparation and presentation
- Joint Engineering/Planning Department administration of the preparation of the Woodland Manor Capacity Analysis for the tentative sanitary sewer connection for the proposed Coventry Crossings Development (Horsley Witten Group)
- Joint Engineering/Planning Department administration of the preparation of the New London Turnpike Sewer Main Capacity Analysis for the tentative sanitary sewer connection for numerous developments at and adjacent to Centre of New England (Fuss & O'Neil)
- Plan review/coordination for the High School Sewer Main Extension Project
- Conversion of sewer department paper files to electronic format
- Perform day-to-day inspection, operation and maintenance of the town's three (3) wastewater pump stations

- Perform specialized technical inspections on motor controls, pumping equipment, telemetry and generators
- Flow monitoring of daily sewer system influent
- Response to emergency repairs and alarm calls 24/7 (as required)
- Perform system preventative maintenance procedures and checks
- Coordination with outside contractors for major equipment maintenance and scheduled/emergency repairs
- Maintain accurate/comprehensive operation and maintenance records of work performed; Perform system preventative maintenance procedures and checks
- In-house design of small-scale drainage projects
- Contract oversight for projects out-sourced to engineering firms
- Review and comment of Rhode Island Department of Transportation and Kent County Water Authority projects within town
- Perform the duties of FEMA Floodplain Administrator
- Coordination with various governmental agencies, developers, contractors, general public, Town Council Members, Town Solicitor, Town Manager, Assistant Town Manager, Directors and staff.

Coventry Parks and Recreation Department

The Coventry Parks and Recreation Department, consisting of eleven (11) full-time employees, (7 maintenance and 4 administrative) is charged with developing a comprehensive year-round program schedule for all populations, as well as maintaining over 300 acres of recreation property. Under the leadership of the Director, the maintenance staff cares for a wide range of properties from athletic fields used by local leagues to walking trails and the Greenway bike path, as well as monuments, memorials and land-trust owned properties.

Properties under the department's care include:

- 17 baseball/softball/multi-use fields (some of which include pavilions)
- A portion of the Washington Secondary Bike Path known as the Coventry Greenway (including the post and rail fencing) measuring nearly 5 miles long
- 6 basketball courts; 10 tennis courts, 4 pickleball courts and 1 skate park
- 1 boat ramp and 1 swimming beach
- Guy Lefebvre Community Center
- Indoor gym and Teen Center (located in Town Hall Annex)
- 2 Coventry Land Trust-owned properties as well as several other conservation areas/parks

The recreation staff organizes programs, activities/trips and events for all ages to enjoy including a variety of programs/rentals including:

- Summer kids' programs, serving approximately 300 children from grades K – 7
- Summer basketball league, serving over 200 children grades 3-11; and instructional basketball serving 75 children K-2
- Pre-school programs, Kids' Club, school vacation programs
- Adult sports programs including slow-break and co-ed basketball, co-ed volleyball; co-ed pickleball and other fitness programs
- Youth sports programs/cultural enrichment programs/art programs
- Ticketed events/trips for theatre, sports and other trips
- Rentals of fields/Community Center/Town Annex Gym

Events - Some large with thousands in attendance and other smaller events throughout the year:

- Halloween event
- Winter Wonderland/Tree Lighting Event
- Easter Event
- Summer Festival and Summer Concert Series
- Yard Sales/Touch-A-Truck
- Road Trips (East Coast Road Trip on the agenda for this year)

We have seen growth in the number and size of programs and events, and it is the Department's goal to continue to increase participation in our slate of activities and to explore new ways to engage the community.

TOWN OF COVENTRY DEPARTMENT OF HUMAN SERVICES

MISSION STATEMENT

The mission of our Center is to provide all members of our community a single, identifiable and visible agency through which their social, economic, psychological and physical needs can be addressed.

The Coventry Department of Human Services presently has 9 full time and four part time employees. It should be noted that we have a core number of volunteers (102 at present) who help us bring a myriad of programs to our community. Without them delivering meals on wheels, volunteering in our meal site, our food bank, our community garden and a variety of other programs, we could not meet our mission.

SERVICE CATEGORIES

- **Senior Services**
- **Youth and Family Services**
- **Services for Individuals with Disabilities**
- **Food/Nutrition Services**
- **Special Programs**
- **Grant Initiatives**

➤ SENIOR SERVICES

Our vision is a Coventry that values older adults, and recognizes that all people have a right to live with dignity, make their own choices, and participate fully in society. We strive to be a town that prioritizes independence, inclusion, well-being and health across the lifespan.

The safety and welfare for our eldest residents and that of the general population is the primary focus of our department.

Health and Wellness programs remain a perpetual focus on our residents ages 60 and older. We continue to strive to have the ***Coventry Resource and Senior Center*** to be seen as a “one stop shopping” point for all services that this segment of the population may need. Since isolation is the major contributing factor to failure in the community for older adults (and most other populations for that matter) the need to connect folks to services, supports and healthy options is what our department is here to do.

The department is fortunate to have very committed staff that is willing to meet all the challenges facing the ever-growing needs of our residents. We remain cognizant of funding needs and sustainability once funding sources are exhausted and will continue to seek out and apply for grant funding whenever possible. We continue to foster stronger and creative partnerships with other agencies and facilities which will continue to be necessary for the future success of our department.

The Coventry Resource and Senior Center staff outreach to our seniors each week, via telephone, our Face Book page and also providing social work and case management to meet the many varied needs of our seniors. We continue to connect them to needed services, food, health and mental health services, Low Income Heating Assistance, virtual learning opportunities, recently finished with Medicare Open Enrollment and a variety of vital services including vaccination appointments and transportation coordination as needed.

Coventry Seniors have participated in the pilot project with the University of Rhode Island and the RI Office of Healthy Aging entitled: ***Digi-Age, Cyber Seniors***, where Coventry Seniors will obtain I-Pads and get training and support from current University of Rhode Island students to learn how to use their new-found skills. This is presently taking place on a monthly basis here at our Wood Street offices.

In my role as Director, I am the current ***President of the Rhode Island Senior Center Directors Association (RISCDA)*** and have been so for the past 6+ year. It is our focus to be a strong advocacy group for our seniors. Coordinating and resource sharing around areas of need such as; transportation, nutrition, connective and integrated services for Rhode Island seniors is a major focus of this vibrant group of 27 members centers from across our state.

We also have a seat at the Rhode Island Developmental Disabilities Council, Rhode Island Governor's Advisory Council on Aging, Rhode Island House Commission on Aging and the Development Team for Rhode Island's Multi-Sector Plan on Aging.

We have professional registered nursing services on-site four days per week with a focus on nursing care, health awareness and nursing education. Our nurses collaborate with the University Rhode Island student nurses to provide seniors with group education options on a variety of health and mental health Issues throughout the year.

Our department has well-developed partnerships and provide coordinated evidence-based health and wellness programs. Programs such as; ***Choosing Wisely, Balance, Caregivers, Diabetes and Chronic Disease Self-Management*** and hiring outside specialists in Tai Chi, Yoga, Bone Builders and other whole- health initiatives which has strengthened our menu of services.

➤ **YOUTH AND FAMILY SERVICES**

The department focuses on families as a whole and do not work with children in isolation from their support systems. Maximizing supports for parents and caregiver grandparents which in turn will benefit children is an ever-present focus of our work. We currently provide basic human needs for Coventry residents: access to options to address Food, Shelter, Utilities and more intensive case management when necessary. Our staff sit on the Coventry Substance Abuse Task Force which develops and implements programming on the local level to address substance use and abuse throughout all age cohorts. This is a collaborative effort with our police, municipal and town members and Coventry Public School District to address these important issues around social determinants of health.

We work closely with the Salvation Army to assist children with back to school shoes and work with community partners to fill backpacks for children to return to school with what they need.

It remains vital to identify the needs and provide support to families in a timely manner to avoid crises and improve quality of life. Statistics show that children who do not attend school have higher rates in drop out, prevalence of drug use and may become more delinquent in the community.

We continue to provide a holistic approach to services and resources that will serve a larger part of our community. Our staff sit on the larger Kent County Prevention Coalition, which addresses substance abuse and connections to resources for those community members who are in need. Our department continues to collaborate with our Coventry Public School Department in bringing resources and collaborative entities into the district. We work closely with administration in grant initiatives and program development to seamlessly provide services to students and families within our town.

Our department provides case-management services to students and families involved in the ***Truancy Court*** and the ***Juvenile Hearing Board*** in Coventry at both the high school and middle school levels.

Our vision is a Coventry that values older adults, and recognizes that all people have a right to live with dignity, make their own choices, and participate fully in society. We strive to be a town that prioritizes independence, inclusion, well-being and health across the lifespan.

➤ **FOOD/NUTRITION SERVICES and THE COVENTRY COMMUNITY FOOD BANK**

The Coventry Community Food Bank is located at 191 MacArthur Boulevard in Coventry. We are a member-agency of the Rhode Island Community Food Bank and is administered by the Coventry Department of Human Services. All programs follow town-wide financial accountability standards are audited on an annual basis.

The Coventry Community Food Bank provided food to over 500 individuals per month with most of the households being families with children.

Our Food Bank receives donations in the form of food, as well as monetary donations from individual donors, to provide this basic human need to Coventry residents. Food drives throughout our community and fundraisers keep our program seen as a community resource and community connector. Schools, businesses and individuals have taken on the role of food resource gatherers and assist us in our mission throughout the year. This has become and continues to be a community-wide effort. It makes me proud to live in Coventry to see how the community comes together to help its neediest members during a crisis. (see grant initiatives below).

Presently, our volunteers are delivering 290 Meals on Wheels per week into our community to meet the needs of the highest risk and most isolated individuals. That's about 15,500 meals per year. It should be noted that to some of the individuals receiving meals on wheels this is the only daily contact that they have.

Blackstone Health (our food service provider) also provided over 100 frozen meals as a back-up during poor weather conditions or long weekends.

We work closely with DEM and in 2024 provided farmers market vouchers for 100 seniors to access fresh produce throughout the Summer months. Each person received a \$50 card they could use at any state farmers market. This will be expanded in 2025

➤ COVENTRY COMMUNITY GARDEN

The Community Garden has been in existence for the past 17 years. It is run by Volunteer Master Gardeners that live here in Coventry. A variety of groups volunteer their time to support our efforts; including Seniors, those who use our food bank, boy scouts, girl scouts, 4 H, and volunteers from the community-at-large. Every organically grown piece of produce is donated to the Coventry Community Food Bank and feeds our neighbors in need.

➤ SERVICES FOR INDIVIDUALS WITH DISABILITIES

The department presently provides Day Support and Family Support Services for 23 individuals with developmental disabilities. The **Project FRIENDS Program** originated in 1990 and is one of only a few licensed programs by a state that is run by a municipality. These services have been co-located with our Senior Center since its inception. The goal of “true” community integration and ownership was the driving force behind the program. This was seen as an option for sheltered workshops which the state has recently phased out due to a consent decree to plan fully employ individuals within their home communities via a least restrictive environment. The state is coming around to what our agency has known all along that all members of our community should have equal access to services which can increase their quality of life and their independence.

Since the hiring of our new Director there has been a consistent focus on developing best practices. A new Clinical Administrator has been hired who has over 20 years of experience with individuals with Autism and Developmental Disabilities and her input into programming which is strengths based and client-centered has strengthened the program.

Our **Direct Support Professionals (DSP)** are those who provide direct care for our participants in the Project FRIENDS Program are enrolled in a Statewide DSP Certification Program in alignment with the Sherlock Center for Disabilities at Rhode Island College. Our Director is a member of the **Community Provider Network of Rhode Island (CPNRI)** which is a group of directors of programs that provide direct supports to individuals with disabilities. This group has provided a foundation in advocacy, state level planning, increased accessibility and common core and best practice development and is considered a viable entity and a resource for those with intellectual and Developmental Disabilities throughout Rhode Island.

➤ **GRANTS AND INITIATIVES**

Seeking alternative funding through grants to grow our current programming and seek innovation is a perpetual goal for departmental improvement. COVID-19 provided a need to pivot and focus on provision of vital needs for our seniors and families that we serve.

We have worked closely with RIPTA to purchase three 14 passenger vans with rural transportation funds. 100% of the cost will be coming from the Federal Treasury and the State of Rhode Island. This is at no cost to Coventry taxpayers and the three vehicles should be received by July 2025.

We are presently utilizing a grant from the RI Office of Healthy Aging to drive seniors to access to shopping for their basic human needs, food and prescriptions.

Our Food Bank has received grants and food drives from local businesses and funding from the Emergency Food and Shelter Program (United Way) and also from Farm Fresh Rhode Island. The cost of stocking our foodbank has increased dramatically over the past few years and we try to braid funding to best meet the needs of our community.

SPECIAL PROJECTS

➤ **COVENTRY-TRAUMA INFORMED COMMUNITY(C-TIC) RESILIENT COVENTRY**

*A trauma-informed approach refers to **how an agency, organization, and/or community responsible for providing services** such as mental health, educational, crisis, and/or criminal justice services thinks about providing those services in a way that supports resilience, prevention, treatment, and recovery. (SAMSHA 2019)*

Professional development of municipal staff is a constant focus and we attend many trainings throughout the year. We are presently working with Rhode Island College Institute of Healthcare Education.

The goal over the upcoming year is to have staff trained on ***Trauma Informed Care, Secondary Traumatic Stress and Self-Care***, we are presently collaborating with the Coventry School Department on a multi-year \$440,000 grant initiative supported by the Rhode Island Foundation to have Coventry Public School District seek to become a district of ***Trauma-Informed and Trauma Sensitive Schools***.

We have trained many municipal staff, school-based staff and have been granted anno-cost extension of this grant into Summer 2026. This past year we trained 20 municipal and school staff as a train-trainer model to bring trainings to the general public including our day care providers and youth coaches.

The goal is to have Coventry become a Trauma-Informed Community and help those who help children increase their education and tools to help our students succeed.

➤ **COVENTRY COMMUNITY LEARNING CENTER**

We have been working alongside many other town departments, have been partnering with the State of Rhode Island Pandemic Recovery Office (PRO) to renovate space at the Town Hall Annex to house a Community Learning Center to address the areas of workforce development, education and health monitoring for Coventry residents.

We will be working with different community service partners including our local community action programs and mental health center as well as the Rhode Island Department of Education (RIDE), Rhode Island Department of Labor and Training (RIDLT) and Rhode Island Department of Health (RIDOH) to bring these services to a central point in our town. Strategically located across from our Town Hall and Coventry Public Library, this space will be open to provide these needed services by January 2026. Services will evolve and change to meet our community needs and the services will occur in this space for a minimum of a five-year period.

➤ **WATERMAN FISKE FUND**

Our department administers assessments for the Waterman Fiske Assistance Fund for the less fortunate population of Coventry. We work cooperatively with the Finance Department to assist individuals who meet qualifications of 250% of the Federal Poverty Guidelines for assistance when in crisis for a variety of assistance; such as no heat, unlivable conditions, heat assistance, rental assistance, medical and others.

This program helped us place fire victims (13 households) for a short term stay at a local hotel that were displaced to give them an opportunity to make more long-term plans. Our social workers developed individualized plans for each of these families, some with children as young as 6 and ranging to 80 year of age.

➤ THANKSGIVING PROGRAM

Our Thanksgiving Program this year serviced 156 families with Thanksgiving Baskets. We serviced 125 seniors with hot turkey dinner meals which were prepared by the Culinary Arts Program at the Coventry High School. All ***Turkey-to-Go Meals*** were delivered into the community and delivered to our isolated seniors by our Project FRIENDS Program participants and staff.

➤ TIS THE SEASON

Special projects like the ***Tis THE SEASON*** 'program where we assist people throughout the year and especially around the holidays for food and toys throughout our adopt-a-family program where new toys, clothing and food are donated to help our neighbors in need during the holiday season. We recently assisted over 200 families this past holiday season. This only happens from generosity of our local businesses, town departments, Police and Fire personnel, school district and people in our town who think beyond themselves and donate to those in need.

Continuity of services is paramount, especially with the prices of food and cost of living issues families are up against. Insuring that our residents will continue to receive the services they depend upon for survival and at the same time growing new innovative programs to support our mission is a constant focus of our department efforts.

Lauren Walker, Director

The mission of the Coventry Public Library is to educate, inform, entertain, and enrich the lives of all our patrons by offering free and equal access to collections and services.

In 2024, the Coventry Public Library Board of Trustees hired a new Library Director, Lauren Walker, who served as the Library's Assistant Director for 4 ½ years before being promoted to the role of Director in June.

2024 Accomplishments:

- 79,817 visitors in FY 2024; 5,000 more than in 2023
- 897 programs offered, with a total of 14,909 attendees
- Acquired a new outreach vehicle (pictured), thanks to the generosity of the Coventry Public Library Foundation, and began weekly outreach to the Coventry Housing Authority and Coventry Senior Center
- Improved the hygiene and accessibility of the Library's restrooms with a Champlin Grant funded renovation
- Expanded the teen volunteer program and provided 1,110 hours of community service to Coventry teens

Active cardholders: 6,981
New cards issued: 1,514
Reference questions: 14,225
Computer usage: 5,529
WiFi sessions: 18,539
Website visits: 151,000
Hours open: 3,867
Notary services: 415
Passport applications: 300

Programming Highlights:

- The Library gave out 1,000 pairs of eclipse glasses and held an Eclipse Viewing Party on April 8th, 2024.
- Purchased with funds from the Governor's Learn365 Initiative, the Library now has a Charlie Cart mobile kitchen that is used to teach children cooking and food literacy skills.
- Summer Reading: 234 children, 90 teens, and 44 adults participated in the Summer Reading Program
- Teen program attendance is up overall, with many teen events filling up and requiring a waitlist.
- The Library added two new book groups to meet growing demand and foster social connection.
- Sister Cities Pen Pal Project: Thirty patrons from Coventry, RI and 30 patrons from Coventry, UK exchange 6 postcards through the Library over the course of a year.

In 2024, Coventry patrons saved \$2,812,042 by borrowing items from the Library instead of buying them!

What are Coventry Library patrons borrowing?

- Print books
(Coventry patrons borrowed 116,945 books - more than double the circulation of all other items and formats combined!)
- E-books & e-audiobooks
- Video
- Audio
- Equipment
- Magazines
