

**General Election November 5, 2024**

# ★ MUNICIPAL ELECTION CHANGES ★

## WHAT DOES THIS MEAN FOR YOU?

- You will vote for ONE town council candidate running in your district (**Districts 2, 3, and 5**).
- You will vote for ONE school committee candidate running in your district (**Districts 1 and 4**).
- You will ALSO vote for TWO candidates running for the **AT-LARGE** seats (in both the town council and school committee races).

## WHAT IS THE DIFFERENCE BETWEEN DISTRICT AND AT-LARGE?

- **District Election:** Voters in a specific geographic area (district) elect their councilmember or school committee member to represent their district.
- **At-Large Election:** All voters in the entire municipality elect councilmembers or school committee members who serve the whole community, not just a single district.
